

How to Upload COVID Booster Record

1. Go to <https://webchartnow.com/mobilemed/webchart.cgi>
2. Click **UC Merced Login** and the typical single-sign-on screen will appear. Sign in with Single-sign-on and DUO two-factor authentication

3. Work Health Solutions employee patient portal will open.
4. Click **COVID Booster Record**. Important note, please be sure to upload your booster record to the correct location to avoid any error in reporting compliance. If you have previously uploaded your booster record under the **COVID Immunization Record**, please re-upload your booster record to the correct location.

5. On the upload screen, click “Choose File”. Indicate which booster you received, enter the date of booster dose, and click Submit.

Please upload your COVID Immunization Records for your booster vaccine

COVID Immunization Record *

Please indicate which booster vaccine you received: *

Pfizer
